

The image is a collage of six screenshots from a web application, arranged in a 3x2 grid. Each screenshot shows a different functional area of the application, with a consistent header and footer design. The top-left screenshot, titled 'Importation simple de vos clients par campagne', shows a form for importing client data via CSV, with fields for name, phone, email, and campaign. The top-right screenshot, titled 'Création de modèles, Email / Sms', shows a form for creating new messages, with a text area for the message content and a dropdown for the message type. The middle-left screenshot, titled 'Envoi Sms en Nombre', shows a form for sending bulk SMS, with a dropdown for the message type and a text area for the message content. The middle-right screenshot, titled 'Envoi Email en Nombre', shows a form for sending bulk emails, with a dropdown for the message type and a text area for the message content. The bottom-left screenshot, titled 'Gestion des appels', shows a form for managing calls, with a dropdown for the call type and a text area for the call content. The bottom-right screenshot, titled 'Gestion des rappels', shows a form for managing reminders, with a dropdown for the reminder type and a text area for the reminder content. The application uses a clean, modern design with a light blue and white color scheme, and a sidebar navigation menu on the left of each page.
